OUR EXCEPTIONAL CHILDREN, IN PARTNERSHIP WITH THE METROPOLE NICE CÔTE D'AZUR, NATIONAL EDUCATION, THE DEPARTMENTAL BOARD, THE PACA REGION AND THE EUROPEAN UNION

150 cultural, artistic and scientific workshops and experiences, BY AND FOR EVERYBODY, in-depth exploration of environmental risks, space and biodiversity, with the help of top-class speakers and the support of natural resources and local, regional and international partners, REGARDDDONS ENSEMBLE 2025 will provide a living and active opportunity to be in the world, to become aware of it with dignity and responsibility, to live on and honour the planet, together and in peace.

To develop the human, cognitive, social, sensitive, creative and moral potential of the child, a man in the making.

TO OPEN UP THEIR AWARENESS TO THE MANY FACETS OF THE WORLD, OF NATURE AND OF LIVING THINGS, THE IMPORTANCE OF TAKING CARE OF THEM AND THE DESIRE TO DEVELOP IN THIS WORLD ALONGSIDE OTHERS.

A central platform for professional resources to consider the child as a human being in the making.
